5. Dispersion and Aggregation
6. Solid Surfaces: Adsorption, Catalysis, Wetting, Adhesion and Electrochemistry
7. General Topics in Colloid and Interface Science

そのほか、複数のシンポジウム (Featured Symposium) を開催予定

DEIR ポリシー:

The Division of Colloid and Surface Chemistry is committed to creating a welcoming, open and safe environment for all participants throughout the conference, which embraces diversity, equity, inclusion, and respect. All participants are expected to play an active role in creating such an environment.

-We are committed to organizing the conference sessions and events in a way that ensures diversity in the selection and invitation of speakers.

-We are committed to providing the anticipated care needed to create an inclusive and welcoming atmosphere for all the participants.
