SCCT2011/500

**Dear All,**

**The IFSCC2011 organizing committee is regretfully sorry for such sudden notice of postponing the IFSCC 2011 Conference. We do greatly appreciate your understanding of the situation.**

**As of now the mass amount of water overflowing down from the north of Thailand is becoming more and more fearsome to the Bangkok citizens as it will reach the capitol in the matter of hours to days. This is a very difficult time for whole Thailand, even in central area of Bangkok is still saved from flood.**

**The security of all guests and participants of the IFSCC 2011 is our first major priority to realize. Secondly, we fully intend to organize this event to its potential; therefore, the IFSCC2011 organizing committee agrees to postpone the IFSCC 2011 Conference. All of you will be consistently informed of further information regarding the event and the new official date of the event will be announced shortly.**

**We thank you for your kind understanding and cooperation, and look forward to seeing you soon.**

**Sincerely Yours,**

*Panvipa*
